

Mountain SEA Ventures

Opportunity to Intern with KEJORA

The Leading Tech Startup Accelerator in Indonesia

Status: Internship **Location:** Jakarta, Indonesia **Duration:** 3-6 Month **Starts:** ASAP

ABOUT INDONESIA

The beautiful archipelago of Indonesia can become your next big adventure! Not only the countless exotic and stunning weekend getaways are tempting but also the rapidly growing economy, particularly the E-Commerce market, provides endless opportunities to kick-start your career in Jakarta, one of Asia's most vibrant cities.

ABOUT MOUNTAIN KEJORA VENTURES

Mountain KEJORA Ventures is a Venture Capital Investor and Internet Startup Incubator based in Jakarta, Indonesia. We have a joint venture with Mountain Partners AG, a company building group headquartered in Zurich (Switzerland). We do not only act as a financial investor but also as a hands-on strategist with a long-term view adding tangible value to our portfolio companies and partners.

KEJORA is a co-working space and an industry wide initiative to create a cohesive startup ecosystem for founders to launch sustainable technology business. We help startups in different stages to achieve maximum potential and become successful companies. We have 150 entrepreneurs on site from 12 different countries.

JOB DESCRIPTION

We are currently looking for Sales & Marketing, Finance and IT / Software Engineering interns who closely collaborate with us on daily operations as well as innovative new projects. Every internship holds great opportunity to advance your skillset in the field of fast growing and diverse Internet startups. Tasks and priorities can be set individually.

WE OFFER

- Chance to work in one of the World's fastest growing and most dynamic Internet markets
- You will be learning from experienced entrepreneurs & senior managers
- Benefits such as daily lunch and gym
- Assistance with visa application and accommodation

We are looking forward to receiving your motivational application. Please send it to katharine.tan@msea.vc.
