HELP DEVELOP AFRICA'S FUTURE SOFTWARE START-UPS

TEACHING FELLOW – SOFTWARE DEVELOPMENT

Meltwater Entrepreneurial School of Technology (MEST) is recruiting recent graduates with a passion for teaching and a strong background in software development or engineering for a one-year assignment teaching talented graduates in Accra, Ghana.

On a daily basis, Teaching Fellows support MEST Trainees in developing their programming skills, technological understanding and entrepreneurial spirit. They work in dynamic teams with other Fellows from around the world, which are led by Faculty that have significant software and business experience.

YOUR QUALIFICATIONS SHOULD INCLUDE:

- Programming proficiency in one of the following languages:
  Java, C++, C#, PHP

- Experience with **relational databases** and **SQL**

- Knowledge of object-oriented programming and design

- Interest and/or passion for teaching and technology

- Ability to work in a team, and to deal with ambiguity

- Good verbal and written communication in English; good presentation skills

- Bachelor's degree in computer science or related field

WHAT YOU GAIN:

- Invaluable work & life experience in an entrepreneurial organization working to make a difference

- Teaching experience; International work experience

- A contribution to make significant impact - transfer knowledge and skills to talented Africans who will set up software companies

- Develop relationships with Africa's future leaders

COMPENSATION:

- Monthly stipend

- Travel, Housing, Meals and Emergency Health Insurance provided by MEST

MEST is a not-for-profit project fully funded by Meltwater Group, a Norwegian software company headquartered in San Francisco, USA. We believe that with the proper training and support Africans can successfully set up new software companies generating jobs and wealth locally.

This is a unique opportunity for you to be part of a team that will develop Africa's future technology generation!
A new team is hired every year.

To apply, please submit an online application at www.meltwater.org/en/vacancies.
APPLICATION DEADLINE: April 11th / START DATE IN GHANA: August 2nd
