**About MojoKnows**

MojoKnows is an exciting, new, SMS-based mobile service, think of it like Google Answers for your Mobile Phone. SKEX IT Services, the parent company of MojoKnows, is a provider of J2EE application development and support services and has been offering students from Germany the opportunity to have a working experience in Australia since 2000.

**Logistics**

The internship is offered for a 6 month period and is located at our offices in Melbourne on the Southeastern Seaboard of Australia.

**Your Role**

The job involves

- Software Development (focus on J2EE, however knowledge of .NET is a bonus too) for Web Application projects of SKEX IT Services
- ongoing development (new features, defect fixes) of the MojoKnows software platform
- to a small degree, support for existing J2EE based software installations including on-site support with SKEX Customers
- to a small degree (on average about 30 minutes per day) operation of the MojoKnows service - researching answers for questions asked by customers via SMS and providing customer support. This may involve a low amount of shift work, i.e. your work day starts either at 08:00 (for the early birds) or around lunch time (for the late starters) and on-call weekend work, for which you will be compensated with extra days off.

**Requirements**

The successful candidate should cover at least 50% of the following skillsets:

- commercial experience with the Java programming language (J2EE and OpenSource environments are a bonus)
- commercial experience with Data Driven Web Application development (mySQL & Hibernate experience a bonus)
- experience with Build & Deployment of Web Applications (Ant Experience a bonus)
- experience with support of commercial Web Applications (IBM WebSphere experience a bonus)
- Basic HTML skills
- experience with Microsoft's .NET framework
- experience in the administration and operation of Linux based servers (GenToo experience a bonus)
- superior knowledge of Internet Search Engines and how to find information on the net
- good English language skills with a focus on spoken English
- experience with geographically distributed team work as the MojoKnows team is working from locations in Australia and Germany simultaneously

**Package**

- Renumeration of EUR 300 / month, paid to you as a contractor through our German Subsidiary
- free YHA style accomodation in our large office building in Melbourne, just 50 metres from the beautiful sandy beach
- free usage of a company car for private trips
- free local telephone calls
- free broadband Internet Connection
