

Lufthansa Cargo AG Processes & IT Internship

Lufthansa Cargo AG, the market leader in the international airfreight industry, is looking for an energetic and well-rounded intern with knowledge and interest in IT and process management for their North and South American Handling headquarter office in Atlanta.

The selected candidate will support the Process & IT Manager (PITIS) in day to day activities and special projects applying theory knowledge into practical solutions. You will be working in a close-knit team of managers and will be expected to conduct yourself in a professional and mature manner.

In our rapidly changing line of business, flexibility is a must. Job duties may change between now and the start of the internship. However, the following tasks should tickle your interest before applying.

Tasks:

- Maintain and adapt existing software of Business Unit Handling
- Local IT Controlling in cooperation with the Process & IT Manager
- Evaluate alternative IT solutions regarding cost effectiveness, quality and time frame
- Coordinate the roll-out of new IT systems and new IT releases in the area

Your profile:

- You have completed your basic studies
- You are studying IT or another related field with a focus on IT
- You must have very good communication skills in English
- You have gained practical experience during other internships in the field of IT and/or process management already
- You have strong analytical skills and the ability to pick up new concepts quickly
- You are committed and have the ability to work independently and under stress perhaps at odd hours
- You are a team player and have very good social skills
- You are able to familiarize yourself quickly with new topics
- You have very good skills in developing web applications using J2EE, Struts, Hibernate
- You have very good skills applying and using IT systems and tools, especially MS Office.
- Former experience in logistics, airline industry a plus.

Please send us your application only if you are available to start the internship in **March 13th, 2006 for 6 months**. The remuneration is currently 550 EUR. Please send us via **email** only a cover letter and CV in English.
