

China

Corporate Internship

Main Tasks:

- The corporate consulting department is divided in three practice desks: (i) M&A, (ii) Corporate Implementation and (iii) Finance Desk. The M&A Desk has implemented an important number of projects in China, both supporting leading Fortune 500 and medium size multinationals access this market via acquisitions or restructure their existing operations in China.
- The internship position is in its Corporate department, M&A desk.
- The intern will be joining specific project teams and would be reporting the specific project managers. The majority of the intern's time will be spent supporting the production of presentations and reports, as well as some focused research and analysis.

Requirements:

- Candidate for Science, business or economics degree.
- Previous international internships.
- Competent computer skills (Word, Excel, PowerPoint).
- Fluent in both written and spoken English
