

Accounting Internship (m/f) – 2005031 (Düsseldorf)

About us

GE Capital is a strong financial partner of the German "Mittelstand". For decades, we have been successful in the German market, offering individually tailored financing concepts from a single source. Around 1,000 employees in Germany advise more than 30,000 clients in all relevant questions around financing and loans. Our key areas include factoring, leasing, hire-purchase, commercial loans, fleet services and equipment finance as well as inventory finance.

The internship will provide an excellent opportunity to get an overview of E-Finance processes in a dynamic and international environment where IT and financial worlds merge. This internship can be preparatory to the selection for the FMP - Financial Management Program- GE's entry-level training program for high potential individuals seeking a fast paced career in Finance. It is the first step in many successful GE Finance careers.

Responsibilities

Support during implementation of an e-Finance Platform for GE Capital Germany & Benelux enabling a Business Intelligence Solution:

- Assist the Program Leader- Finance
- Support throughout the implementation stages of the program by taking over an active part project management role in the program team (Finance & IT)
- Support in the monitoring process of 3rd party IT vendors, establishing a DataWarehouse programming solution
- Support the Implementation of new workflows in Finance
- Support the Finance Team coordinating work packages

Qualifications

- Business Student: excellent academic achievement in Finance and/or IT
- Strong analytical and problem-solving skills
- Self-starter, independent with strong intellectual curiosity preferably in Finance
- Leadership potential and initiative
- Strong process focus, passion for simplification and improvement
- Ability to partner with and support other functions (e.g. Risk, IT, Financial Planning & Analysis)
- Good communication & interpersonal skills
- Fluency in English, working knowledge of German is an advantage
- Strong IT-orientation

We look forward to receiving your [online application](#).
