BUSINESS MEETS EDUCATION

IT Services Company

J2EE-Development

Beschreibung:

The Branch, in which the internship takes place, is an exciting, new, SMS-based mobile service, think of it like Google Answers for your Mobile Phone. The parent company is a provider of J2EE application development and support services and has been offering students from Germany the opportunity to have a working experience in Australia since 2000.

The internship is offered for a 6 month period and is located at the offices in Melbourne on the South eastern Seaboard of Australia.

Tasks would be:

- Software development (focus on J2EE)
- ongoing development of the company's software platform

Anforderungen:

- Knowledge of J2EE programming
- previous working experience with Servlets, JSP, Struts would be definitely a plus

Ort: Melbourne, Australien
Zeitraum: Start zwischen Juli und Oktober 2006, für 6 Monate
Vergütung: Unterkunft,
  300 Euro p.M. ab dem 3. Monat

Interessenten melden sich bis:
14. Mai 2006
