

INTERN (m/f) PRODUCT MANAGEMENT

To strengthen our team in Malta, we are looking for Interns/Trainees (m/f) to support our Product Management Team:

The following tasks include:

- » / Assisting with the development of Tipico.com in relation to design and usability.
- » / The opportunity to fulfil your own ideas in an international team.

These are our requirements:

- » / Ideally you have gained some experience in an IT-related discipline such as computer science, media/business information systems.
- » / You have knowledge of sports betting.
- » / Betting terms, betting markets and betting types are things you are comfortable with.
- » / You are motivated, show initiative, and can structure and complete tasks on your own where and when necessary.
- » / You are a team player with good communication skills.
- » / You are fluent in written and spoken English. Knowledge of the German language would be an asset.
- » / Duration of internship: at least 6 months.

Are you committed, communicative and curious? Do you have a self-confident way of working? Are you looking for a new work challenge in Malta?

We offer a monthly gross salary of 700€ and free accommodation in one of the best locations in Malta.

Are you interested? Great, then we look forward to receiving your application including a copy of your CV and the earliest date that you can start, preferably via email, to career@tipico.com; keyword "Internship Product Management".

Should you have any questions regarding this post, you may also contact us via the above email address.
